READING

Think About the **BIG IDEA**... **Character Traits**
Characters show what they are like through their **Thoughts** (what they think), **Actions** (what they do), and **Dialogue** (what they say).

Analyzing
CHARACTER TRAITS
What are character traits?
Character traits describe what a character is like, or their personality.

How can I find a character's traits?
Clues from the text that tell us a character's traits include the character's thoughts, dialogue, emotions, and actions.

THOUGHTS What does the character think? <i>I know I can beat my best friend!</i>	DIALOGUE What does the character say? <i>I will come by later! I have to finish my chores first!</i>
EMOTIONS How does the character feel? <i>After months away, Sam's dad was finally coming home. He could not hide his excitement!</i>	ACTIONS What does the character do? <i>Julie practiced every day so his singing could shine at the spring concert.</i>

Listen to this read aloud of **The Recess Queen** and think about her **T.A.D.** (her **Thoughts**, **Actions** and **Dialogue**)
