

Resources for Unsheltered and Homeless During COVID-19

Those experiencing homelessness or the threat of homelessness should call the **County's Coordinated Entry System (CES) at 703-792-3366**. The CES ensures people have fair and equal access to homeless services. The CES team will quickly identify, assess, refer and connect people to resources based on their strengths and needs. CES operating hours are Monday through Friday, 8:30 a.m. to 8 p.m.

The Health District has set up a COVID-19 Call Center at 703-872-7759 where people can get information related to COVID-19. The phones are staffed seven days a week from 9 a.m. to 5 p.m. If someone is experiencing a medical emergency, call 9-1-1.

The Overnight Shelter for adults is now located at the A. J. Ferlazzo Building Gymnasium (15941 Donald Curtis Dr., Woodbridge) in order to maintain social distancing. It is open from 6:30 p.m. to 7 a.m. for 48 participants. Meals are provided, and showers are available. Transportation is provided every day at 6:30 p.m. and 7:30 p.m. from the permanent location of the Overnight Shelter to the Ferlazzo Gym; and at 6:45 a.m. from the Ferlazzo Gym to the Bill Mehr Drop-In Center.

The Bill Mehr Drop-In Center is still operating at its permanent location, 14716 Potomac Mills Road, Woodbridge, from 7 a.m. to 10:30 a.m., Monday through Saturday. To help maintain social distancing, up to 10 participants are allowed into the center at one time. There is a waiting area outside that provides shelter from the outdoor elements that also is set up to maintain social distancing. Meals and self-serve laundry are available. Showers are available for those who were not at the Overnight Shelter. Persons with counseling or treatment needs are provided a room with a phone for virtual appointments.
