**Think About the BIG IDEA...
Determining the Main Idea in
Nonfiction**

When we read nonfiction, we can use details from what we read to determine the main idea.

TOPIC	vs.	MAIN IDEA
<p>What is the topic?</p> <p>The topic is the big idea, or subject, that an author writes about</p>	vs.	<p>What is the main idea?</p> <p>The main idea is a statement the author makes about the topic, and what the text is mostly about.</p>
<p>one or two words</p>	vs.	<p>a sentence</p>
<p>general subject</p>	vs.	<p>complete and more specific</p>
<p>usually given in the title</p>	vs.	<p>usually found in the text</p>
<p>EXAMPLE:</p> <p>Topic</p> <p>Plants</p>		<p>Main Idea</p> <p>Plants need 4 things to live. First, all plants need soil.</p>

TO DO:

Listen to and read along with:
Tigers by Laura Marsh
<https://www.youtube.com/watch?v=1mpM5r0HnYQ>

What is the topic you are reading about?
What do you think is the main idea?
What sentences or text features made you think that?

*Remember:

Rhyme Time!

Read aloud your own book OR
Listen to *A Camping Spree* with Mr. Magee
<https://www.youtube.com/watch?v=or2aEhHv28>

1. How many rhyming pairs do you hear? Say them aloud as you hear them, or write them down!

2. Now read or listen to the story again. This time listen for figurative language like *similes* (The short job was like a marathon.), *metaphors* (My brother is the clown of the family.), and *idioms* (It's raining cats and dogs.)

Watch [teacher geometry video](#) and [video explaining assignment](#)

Now create your own simple drawing with points labeled. Upload a video to Flipgrid or email a picture to your teacher of your finished product! Check out this [resource](#) before starting the activity!

Name two of each:

1. Line segments
2. Lines
3. Points
4. Parallel lines
5. Perpendicular lines
6. Intersecting lines
7. Angles

Bonus: Can you identify any specific shapes in your drawing? How do you know?

VS.4a-e Life in the VA Colony

Review the Colonial VA Study Guide and picture cards:
<https://www.solpass.org/z-site/va/guides/2015/VS-4-2015.pdf?section=study-5>
Create a Colonial VA Economics booklet using the following terms: money, barter, credit, debt, saving, cash crop, and tobacco. Include a table of contents page, page #s with one word per page, an illustration (drawn or printed), definition and information or facts about each. Post a video on flipgrid or share your amazing work during a class meeting!

Feel free to use these flashcards to help with your booklets:

MAIN IDEA AND DETAILS

The **main idea** is what the passage is **MOSTLY** about.

To find the main idea ask:

- What is the text mainly about?
- What information is in the title or subheadings?
- What do I see in the illustrations?
- Do I see the main idea in the first or last sentence?
- Are any words used repeatedly?

Details support the main idea.

- facts
- information
- descriptions
- dialogue
- actions
- thoughts
- statistics
- explanations
- illustrations
- graphs and charts

Now do this:

1. Read a nonfiction text or news article on MyOn.
2. Email your teacher and tell them at least 3 text features you used to help you determine the main idea. You should include:
 - A.) The title and author of the text
 - B.) The name of the text feature
 - C.) why the text feature helped you.

Here are some examples of text features we have talked about in class:

Label each picture with the correct name. Then fill out the quadrilateral properties chart. Do you notice any similarities between shapes? Any differences?
Hint: Use [quadrilateral tree map](#) for help!

3D Shapes (solid figures)

3D shape scavenger hunt!

Find examples of the following 3-dimensional shapes in your house or outside. Fill in this [chart](#) with how many faces, vertices, and edges each shape has. Also include what items you found!

Use the study guide above and picture cards (located on our class page) to complete the Colonial VA review test, also located on our class page.

Play a matching game to review. Place (drag & drop) the appropriate picture card with the correct word:
<https://quizlet.com/168811443/match> See if you can beat the best time of 17.3 seconds. Good luck!!
