Event Highlights:

- Cultural Tables: Decorate a table to showcase your culture.
- Passport Adventure: Students will receive passports to "visit" different tables and learn something new from each culture.

If you'd like to volunteer to set up a table, please fill out [this form](#) by **March 5**. If you need any materials for your table, let us know, and we will do our best to provide them.

For any questions, please reach out to:
